The minutes of the February 8, 2018 meeting

Motion to accept - Josh Goldstein

Seconded - Amy Rapoport

Discussions were held on the following:

**Exercise in the Village Hall Park -**

Maureen and Robert reviewed with the group - discussions with area businesses about providing classes during the summer at the village hall pavillion

Decided to reach back out to the Yoga instructor for a 4 week series, times and dates to be determined. Cost of \$12.00 per person / per session - minimum of 6 attendees needed.

Concerns about advertising and sign ups - Maureen to follow up with instructor and advertisement

### **Ponds Park -**

DEC permitting process started and awaiting approval for treatment of the ponds.

Trail sign - Amy shared a photo of a proposed sign, Tony to follow up with village engineer to find out distances of trails in the park. Trails will need to be named.

### **Tree Survey -**

Each member to take an area of the village to drive or walk through to identify damaged trees and areas where more shade trees are needed. Information to be shared with the group - ASAP

Josh made the suggestion to put into the newsletter information about the shade tree easement and Tree City USA. Residents could request shade trees be planted. Need information about budget for this project.

### **Historic and Scenic designations -**

Warren shared information about roads being designated historic and or scenic determination in the comprehensive plan legislation. The HPC will oversee appropriateness.
