The minutes of the June 8, 2017 meeting
Were not approved - quorum is needed

Guests: Lisa Dispensa Andrew Dispensa (Boy Scout)
Our guests were at the meeting to learn procedures of public meetings and to learn the
functions of the Parks Commission.

Howard has volunteered to take on the cemetery project. He will enlist scouts and others to
clean up the Viola Road head stones and arrange for the downed trees to be removed by the
village landscapers. Village Clerk will be contacted.

Ponds Park: Completion of the Pavillion is almost done. Steps and landscaping are needed.

It has been suggested that the older part of the path along Senator Levy Drive be mulched.

Discussion of rock walls and Pond Plantings was had.

Amy said that the plantings that were done on the "new shelf" don't seem to be thriving. Cattails
are taking over.

We have asked that the Ramapo Police patrol the park to keep out vandals as best as possible. The Mayor has spoken with the police and they said they would go in up to the Pavilion. We are suggesting a Chain be put across the parking lot.

Meeting adjourned at 8:25 PM

Minutes respectfully submitted by Amy Rapoport
