RE: Homeland Towers, LLC  
350 Haverstraw Road, Village of Montebello, NY

Dear Honorable Mayor Millman and Members of the Board of Trustees:

On behalf of Verizon Wireless, please note that we support the construction of the proposed Homeland Towers' facility at 350 Haverstraw Road, Montebello, New York.

The facility is necessary to remedy a significant gap in reliable public utility wireless service in the Village. We intend to install our equipment and antennas at the facility once approved by the Village and constructed by Homeland Towers.

Thank you for your consideration.

Respectfully submitted,
